Empordà

Tourism for everyone in the Baix Empordà

The Baix Empordà Regional Council is promoting the Baix Empordà Tourist Accessibility Plan, aimed at enhancing the region as an accessible tourist destination and creating a new, distinct, and qualitative value in the tourist competitiveness offered in the region.

All the proposals below have been previously validated by a company specialising in tourist accessibility, and respond to the desire of companies and tourism organisations in the region, both public and private, to offer services and facilities better adapted for everyone. You will see that each proposal offers different amenities for different needs. The icons will help you see who each proposal is aimed at.

Itineraries

The Pletera itinerary

LA PLETERA

L'Estartit

The Pletera itinerary is located in the Nature Park of Montgrí, the Medes Islands and Baix Ter and is the result of the deurbanization of a coastal wetlands area of great ecological value. Currently it is an itinerary to enjoy nature and the landscape on the seashore between lagoons, marshes and dunes where you can observe a great diversity of bird species from the adapted lookouts.
